

Dresser Trap Rock Yard rules

1 - DO NOT GET OUT OF YOUR VEHICLE AT ANY TIME ON THE PROPERTY.

2 - Weigh master and loaders are on CB channel 19. If you do not have a CB push the intercom button on the white ticket box on the scale to communicate with the weigh master.

3 – Un tarp and tarp on the road. Our loaders only load from the driver’s side of the vehicle.

4 – If overloaded contact the weigh master for instructions.

5 - When you pull on the scale tell the weigh master your TRUCK NAME and your TRACTOR NUMBER, WHAT PRODUCT YOU ARE PICKING UP, who it is BEING BILLED TO and PO if required or if it is a CASH SALE and if it is a TAX EXEMPT PURCHASE.

6 – Have all your information prior to pulling onto the scale. If you don’t have all your information you will have to pull off the scale, call your dispatch then get back in line.

7 – DO NOT GET OUT OF YOUR VEHICLE AT ANY TIME ON THE PROPERTY

8 - You are working in a DANGEROUS atmosphere around our heavy equipment and haul trucks. If you don’t know where our product piles are, ask and you will be directed or escorted to the pile. Driving around looking at our product piles unattended is not allowed.

9 - If there is an emergency situation where you must get out of your truck contact the weigh master on the CB or call the office on your phone for instructions. (800-537-3573)

10 – We load commercial equipment ONLY. A tandem axel construction dump trailer is the smallest trailer we will load and cannot guarantee exact tonnage as our loader bucket holds 12 tons per scoop. No pickup trucks, flat bed construction trailers, snow mobile or utility trailers.

11 - Credit accounts, checks or cash only NO CREDIT OR DEBIT CARDS AT THIS TIME.

NEVER COP AN ATTITUDE TO A DRESSER EMPLOYEE ABOUT OUR RULES.

SAFETY IS OUR NUMBER 1 PRIORITY.

DO NOT GET OUT OF YOUR VEHICLE AT ANY TIME ON THE PROPERTY.
