

## Dresser Trap Rock Yard Rules

**DO NOT GET OUT OF YOUR TRUCK AT ANY TIME ON THE  
PROPERTY**

**(PERMANECER EN VEHICULO EN TODO MOMENTO)**

1. The scale and loaders are on CB channel 19 – Pull up to the white box and use the intercom if you do not have a CB.
2. When you pull on the scale, tell the weigh master your truck name, number, what product you are picking up and who it is being billed to.
3. We are not your dispatcher, if you don't have all your information, you will have to pull off the scale and call your dispatch.
4. If you don't know where our product piles are, ask and you will be directed or escorted.
5. The loaders only load on the driver's side.
6. When you get back on the scale loaded, tell the weigh master your truck name, number and what product you have and let the loader know what you would like to gross.
7. **If you drop a ticket**, let us know and we will reprint. **DO NOT GET OUT OF YOUR TRUCK!**
8. **If you get overloaded** you can dump some off or dump the whole load and get reloaded – **DO NOT GET OUT OF YOUR TRUCK** – Check tailgates out on the road or when necessary, or ask for assistance.
9. **If there is an emergency** situation where you must get out of your truck, contact the weigh master on the CB or call the office on your phone for instructions. 1-800-537-3573
10. You are working in a DANGEROUS atmosphere around our heavy equipment and haul trucks.  
  
NEVER COP AN ATTITUDE TO A DRESSER EMPLOYEE ABOUT OUR RULES!  
  
Safety is always our number one priority! There will be no exceptions.
